A Continuation of the History of the University Arts Women’s Club – 2000-2020

On the anniversary of UAWC 90th year we are writing the history of the past 20 years, 2000 to 2020. This is a continuation of the previous histories, 1929 to 1974 and 1975 to 1999 which appear on our website.

Any memories and recollections from UAWC members would be most welcome. Please contact Sue Russell at sewellr@sympatico.ca
