Volume 2 Number 1

September 2021

I hope everyone is enjoying a relaxing summer after the long and stressful battle with COVID-19. At the time of writing the COVID numbers are improving thanks mainly to all who got vaccinated and followed protocols. Despite this, we have decided to be cautious about resuming in-person meetings. Our October, November and February general meetings will be held via Zoom; hopefully the March and April 2022 meetings can be held in-person. Once again, Christine McClymont has excelled in lining up a varied and interesting roster of speakers for the 2021–2022 year, details can be found in the directory and on our website <https://uawc-utwa.artsci.utoronto.ca>. The first general meeting will be held on Thursday October 21st, at 1:30 p.m. via Zoom. Currently plans are tentative for a December holiday event.

Gay Thomson has worked hard to provide us with special events over the spring and summer. She and Linda Andrews did a great Zoom presentation on hummingbirds; that was followed by Betty McCulloch's fascinating talk about monarch butterflies. Next came the rare treat of an in-person visit to the Toronto Botanical Garden followed by lunch on a patio... what a pleasure to do something normal.

Thanks go to Linda Andrews, her skill in hosting our Zoom meetings throughout the year is much appreciated. A very warm welcome to Sharon McCarthy who has joined the executive as Secretary. I would like to thank all the executive who are so ably continuing in their roles. If anyone out there is interested in becoming our Archive Coordinator and Historian, please contact a member of the executive.

Kirsteen McLean, President
